THE HUMBLE QUEST FOR UNIVERSAL GENIUS

The Humble Quest for Universal Genius is the live comedy quiz show that sees Mark Allen and his “glamorous” assistant Eli Silverman pit two top stand-up comedians against each other in a bid to find a modern-day Universal Genius.

Quite simply, they are looking for someone who excels in every single facet of human understanding, so unlike other quiz shows the contestants will have their faculties tested in proper subjects, such as:

POETRY

SCIENCE

ETIQUETTE

LANGUAGES

ART

INVENTING

LITERATURE

KNOWLEDGE

WIT

HUNTING

Contestants who will be battling it out in the latest quest for Universal Genius include several Edinburgh Comedy Award winners and stars of TV shows such as *Mock the Week*, *Argumental*, *Live at the Apollo*, *Peep Show*, and *Never Mind the Buzzcocks*.
